

Reptile and Amphibian Species

This list has been compiled by park staff from field observations, sightings, and lists of animals found in the region that could occur here.

Amphibians

Scientific Name	Common Name	Status at ECL Park
<i>Ambystoma maculatum</i>	Salamander, spotted	Confirmed
<i>Ambystoma opacum</i>	Salamander, marbled	Confirmed
<i>Bufo americanus</i>	Toad, American	Confirmed
<i>Bufo fowleri</i>	Toad, Fowler's	Confirmed
<i>Desmognathus fuscus</i>	Salamander, northern dusky	Confirmed
<i>Eurycea bislineata</i>	Salamander, northern two-lined	Confirmed
<i>Eurycea guttolineata</i>	Salamander, three-lined	Confirmed
<i>Hemidactylium scutatum</i>	Salamander, four-toed	Possible
<i>Hyla chrysoscelis</i>	Treefrog, Cope's gray	Possible
<i>Hyla versicolor</i>	Treefrog, gray	Confirmed
<i>Plethodon cinereus</i>	Salamander, northern red-backed	Confirmed
<i>Plethodon cylindraceus</i>	Salamander, slimy	Confirmed
<i>Pseudacris crucifer crucifer</i>	Peeper, northern spring	Confirmed
<i>Pseudacris feriarum</i>	Frog, southeastern chorus	Probable
<i>Pseudotriton montanus</i>	Salamander, mud	Probable
<i>Pseudotriton ruber ruber</i>	Salamander, northern red	Probable
<i>Rana clamitans melanota</i>	Frog, southern green	Confirmed
<i>Rana palustris</i>	Frog, pickerel	Confirmed
<i>Rana sphenoccephala utricularius</i>	Frog, southern leopard	Probable
<i>Rana sylvatica</i>	Frog, wood	Confirmed
<i>Scaphiopus holbrookii</i>	Toad, eastern spadefoot	Possible

Reptiles

Scientific Name	Common Name	Status at ECL Park
<i>Agkistrodon contortrix mokasen</i>	Copperhead, northern	Confirmed
<i>Apalone spinifer spinifer*</i>	Eastern Spiny Softshell	*Released
<i>Carphophis amoenus amoenus</i>	Snake, eastern worm	Confirmed
<i>Chelydra serpentina serpentina</i>	Turtle, common snapping	Confirmed
<i>Chrysemys picta picta</i>	Turtle, eastern painted	Confirmed
<i>Chrysemys picta dorsalis</i>	Turtle, Southern painted	Released
<i>Coluber constrictor constrictor</i>	Racer, northern black	Confirmed
<i>Diadophis punctatus edwardsii</i>	Snake, northern ringneck	Confirmed
<i>Elaphe guttata</i>	Snake, corn	Unlikely
<i>Elaphe obsoleta obsoleta</i>	Snake, black rat	Confirmed
<i>Eumeces fasciatus</i>	Skink, five-lined	Confirmed
<i>Eumeces laticeps</i>	Skink, broadhead	Confirmed
<i>Graptemys geographica*</i>	Northern Map Turtle	*Released
<i>Heterodon platirhinos</i>	Snake, eastern hognose	Confirmed
<i>Kinosternon subrubrum subrubrum</i>	Turtle, eastern mud	Unlikely
<i>Lampropeltis calligaster rhombomaculata</i>	Kingsnake, mole	Confirmed
<i>Lampropeltis getula getula</i>	Kingsnake, eastern	Possible
<i>Nerodia sipedon sipedon</i>	Snake, northern water	Confirmed
<i>Opheodrys aestivus aestivus</i>	Snake, rough green	Confirmed
<i>Pseudemys rubriventris rubriventris</i>	Slider, northern red-bellied	Confirmed
<i>Regina septemvittata</i>	Snake, queen	Confirmed
<i>Sceloporus undulatus hyacinthinus</i>	Lizard, northern fence	Possible
<i>Scincella lateralis</i>	Skink, ground	Possible
<i>Sternotherus odoratus</i>	Turtle, eastern musk (= stinkpot)	Confirmed
<i>Storeria occipitomaculata</i>	Snake, redbelly	Probable
<i>Terrapene carolina carolina</i>	Turtle, eastern box	Confirmed
<i>Thamnophis sauritus sauritus</i>	Snake, eastern ribbon	Possible
<i>Thamnophis sirtalis sirtalis</i>	Snake, eastern garter	Confirmed
<i>Trachemys scripta elegans</i>	Slider, red-eared	Confirmed
<i>Trachemys scripta scripta</i>	Slider, yellow-bellied	Confirmed
<i>Virginia valeriae valeriae</i>	Snake, eastern smooth earth	Confirmed
